

SPONSORSHIP & PARTNERSHIP KIT 2026

THE VOICE FOR INJURED AND HOMELESS ANIMALS

How your company or organization can help us rescue, treat, feed, sterilize and rehome street animals — and show measurable impact.

DIRECT ACTION. EMERGENCY CARE. REAL CHANGE.

Gracivo was founded on May 21, 2025 to fight the street animal crisis on the frontlines: fast medical intervention for critical emergencies, daily feeding, spay and neuter, and responsible adoptions — with full public transparency.

Our mission

To stop stray suffering at its root through aggressive spay and neuter initiatives (TNR), immediate surgical intervention, and uncompromising public transparency.

The problem

Hundreds of millions of cats and dogs live on the streets worldwide without food, shelter or medical care. Without sterilization, every year brings more animals born into hunger, disease and danger.

What we do

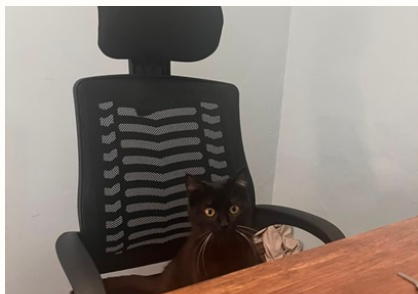

- ✓ Emergency rescue & veterinary care
- ✓ Spay & neuter (Trap-Neuter-Return)
- ✓ Street feeding routes
- ✓ Adoption & follow-up
- ✓ Free education & a public Animal Help Center
- ✓ Cruelty reporting with case tracking

OUR IMPACT SO FAR

20 SURGERIES & TREATMENTS	150 SPAYED & NEUTERED	90 ADOPTED & REHOMED

EVERY CASE IS DOCUMENTED

Madeling: Emergency C-Section & Recovery

Found in severe distress in an alleyway during a prolonged, obstructed birth. We performed an immediate C-section surgery to save her life and guided her through a month of dedicated medica...

The Alley Trio: A Second Chance at Life

A fragile litter of three kittens rescued from hazardous street conditions. Through intensive veterinary treatment, nursing, and daily care, all three survived and fully recovered.

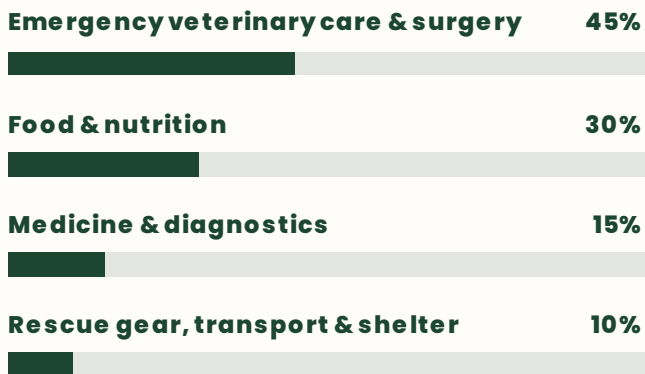

Street Duo: From Vulnerable to Adopted

Two malnourished kittens rescued off the streets during severe weather. After weeks of careful medical attention, feeding, and socialization, we matched them with their forever family.
